SUPERVISOR COMMENTS

Officers were busy throughout the day. Several reports were made. In between the calls for service, several made proactive enforcement stops. A vehicle stop was made, in which the driver failed to yield right of way. A search was made and contraband was discovered. The driver and passenger were arrested and booked into jail on several different charges. Another arrest was made at a local business, in which a person shoplifted. That person was also booked into jail.

SUPERVISOR COMMENTS

A Turlock detective, who has been investigating ATM skimming device crimes that have been occurring around the city, saw the suspect vehicle at a bank ATM drive-thru. The detective notified patrol officers who responded to the area and stopped the vehicle. The

male driver was positively identified as a suspect, and his vehicle was searched. In the vehicle officers located multiple skimming devices, fraudulent cards used to steal victim's personal information and PINs from their accounts, along with tools and electronic equipment that are used for retrieving skimming devices. The male was arrested and booked on several felony charges.
