

# GREEN TEEN OF THE MONTH

## NOMINATION FORM

Please complete the following nomination form to submit an individual for the City of Turlock's Green Teen of the Month. Candidates should be ages 13-19 years, a student and a current resident of Turlock, who demonstrate outstanding and innovative efforts in environmental stewardship by working on environmental and conservation friendly projects on campus and/or within the Turlock community. Outstanding service in environmental preservation practices include exemplary performance with activities aimed at educating and/or engaging the participation of his/her peers in practicing water and energy conservation, pollution prevention, waste reduction and recycling, prevention or reduction of pollution in the air (climate change/global warming), and preservation or enhancement of natural areas.
